

## 2012: The Year of the Turning Point

“Nevertheless when it shall turn to the Lord, the veil shall be taken away.” 2 COR. 3:16 KJV

For many including Intercede International, 2012 was a Turning Point. Unlike two of the past three years, our income increased by about 7 percent. And for the first time in the last three years we had a positive balance at the end of the year. This is thanks to our faithful donors and also due to finding better and more efficient ways to do ministry.

But most important to us was the sheer volume of our Prayers Being Answered by God! With 2012 we witnessed a watershed moment!

Many things our team and countless other Canadian Christian Intercessors have prayed for years to happen came into fruition this past year. We received visits and communications from national missionary leaders from the following nations in the 10/40 window:

**Israel, Egypt, Lebanon, Jordan, Syria, Turkey, Turkmenistan, Tajikistan, Azerbaijan, Iran, Uzbekistan, Kazakhstan, Kyrgyzstan, Pakistan, Afghanistan, Russia and China.**

During 2012 the Lord opened these vast new doors of opportunity to help spread His Gospel. Now in all these nations we have developed new partnerships.

2012 was also a Turning Point year—a year of transition for Intercede and for our U.S. sister partner Christian Aid Mission. Our founder and the President of Christian Aid Mission in the U.S.A., Dr. Robert Finley, stepped down after 59 years of active service for world missions.

On August 22nd, a dear servant of the Lord, Dr. Freddie Sun, who together with his wife, Dorothy, pioneered our China Mission division, passed away

after a bout with cancer. Dorothy Sun continues to lead the China Division and is preparing for a new leader to take over the China Mission.

On the same day in August we received word about another faithful servant of Christ to the First Nations tribes here in Canada, whom Intercede has partnered with for more than 30 years. Rev. Ross Maracle, who spoke at our Gateway Conference in April and spearheaded awareness and help to troubled communities such as Attawapiskat in the far north, tragically died in a car accident. Before the year ended, however, the great work that Rev. Maracle started was embraced by a fellow First Nations Christian leader, the Rev. Stephen Stoney, so that now, the ministry begun can safely continue to be a blessing to First Nations people in the far north in some of these troubled and isolated communities.

We were blessed this year with two new directors added to our Board: Rev. Thom Braun, an evangelical Mennonite pastor of New Hope Church Niagara from St. Catharines, Ontario, and Rev. Ron Latulippe, Pastor of Rosedale Baptist Church in Welland, Ont. Also this year more than 40 volunteers helped our various departments at the home base with more than 1,500 hours contributed!

Many partnerships between Intercede and other Christian ministries in Canada have been strengthened in 2012 and a new era of partnership in general is growing among God’s people everywhere—especially because we all see “the Day approaching,”—the coming of the Lord. *“And Only One Life, Will Soon Be Past, And Only What Is Done For Christ Will Last....” Maranatha!*
