

2013: The Year of the *Great Blessing!*

Leave it to our Lord to know when best to bless His Children. His timing is always perfect!

In our 60th Anniversary Year of this Ministry, God sovereignly determined to pour out His Great Blessing and eliminate our Debt and Deficits through the Gifts of His people.

What we experienced over the last four years was at times very difficult, but the Word of His Grace still speaks to us today when He says:

“But may the God of all grace, who called us to His eternal glory by Christ Jesus, after you have suffered a while, perfect, establish, strengthen, and settle you.” 1Peter5:10

For four years we at Intercede struggled with a decrease in Operations income beginning in the 2009 year of the recession.

As I wrote back then in the January 2009 Winter issue of Mission Gateway Annual Report:

“God’s work shall not lack His Supply – even though we may go through the waters of testing and trial, before we see His mighty Hand of miracles Provide.”

A Year later in 2010 at a Pastors conference in Red Deer, Alberta which I attended; again the still small voice of the Lord reminded me of Elijah and the widow and her two sons, how God provided miraculously for her, and did not fail, even though she did experience a period of suffering. He spoke to me and said,

“Keep Pouring Out, I will Provide”.

In other words, keep giving to the brethren abroad, borrow if you have to, for your operations, because after a “little while” of suffering and testing, I am going to show you my great Provision.

Reading this you might think, but why does not God answer always immediately, when the storms of life come? This is a good question. From my

33 years of joyful service with the Lord and this ministry, I can say, this is what we’ve experienced when God **has allowed us in our ministry to go through “the waters of testing and trial.”**

During these last four years of debt and deficit we at Intercede:

- Learned not to take God’s Blessings for Granted, but to pray and Intercede always for all things
- Learned to humble ourselves before the Lord of the Universe and seek His Face in all things
- Learned to re-examine the way we spent on operations, and in the process saved over \$100,000.
- Learned to be Patient, Thankful, and to Trust, and to Expect Great Things from our God
- Learned to Appreciate even more, the sacrificial donations from God’s people across Canada
- Learned to Share our Trials with our Supporters and Overseas Partners who all Interceded for us
- Learned that: “with God nothing shall be impossible.” Luke1:37

For this we are so thankful to our Lord Jesus Christ and to His Body who interceded for us!

In 2013 we ended up having no deficit, no debts, and in the black with some left over! This is truly God’s doing and it is Marvellous in our Eyes!

I believe from this experience and many others, that God has brought us to such a Time as This, and that with all the open Doors insight, this 2014, through YOU – His People, is going to be another **YEAR OF HIS GREAT BLESSING!**

**James Eagles,
President**

2013: The Year of the *Great Blessing!*
